

At partners4results, we have a wide variety of reports and charts that you can use for your NWEA/ MAP data.

Please contact us for a brochure with more samples!

Here are just a few reports we offer.

- NWEA Strand Analysis Report
- NWEA Student Progress Report
- NWEA Percentile Rank Chart
- NWEA Historical Report
- NWEA Proficiency Analysis Chart
- MAP PowerGrid

MAP Strand Analysis Report

Report can show high level scores as well as strand scores.

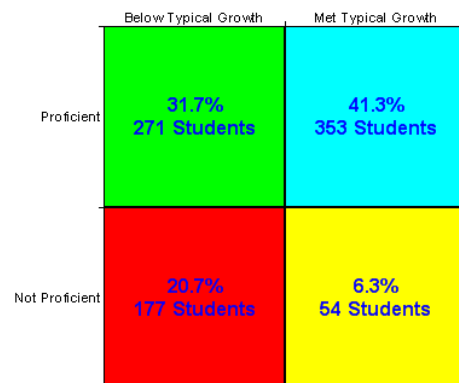

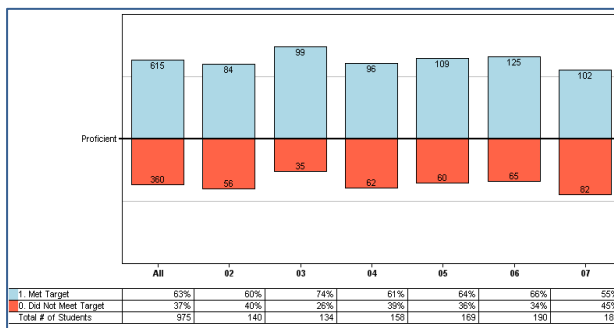

Stu Grp #	Student #	StudentID #	1/2011 NWEA Math NPR %	1/2011 NWEA Math RIT #	1/2011 Algebraic Concepts RIT #	1/2011 Data Analysis & Probability RIT #	1/2011 Geometry & Measurement RIT #	1/2011 Number Sense RIT #
1		31865	42%	196	204	197	189	192
2		29481	42%	196	198	200	199	190
3		34686	53%	217	221	221	215	213
4		34687	39%	204	206	197	212	202
5		28803	5%	192	192	195	189	193

MAP PowerGrid

You can click on any box to see drill down to see the percent and number of students in each of the four categories.

NWEA/MAP Proficiency Analysis Chart

This chart shows if students met their Individual Growth Targets for MAP.

Our Mission:

We partner with districts to improve student performance through curriculum and assessment alignment, national research, personal relationships, world-class technology and support.
